From Agent "W"

I am SOOOO excited to be back! Seeing everyone's smiling faces makes my heart so happy. The main question I was asked during break was, "Are you so excited to be on break and have a moment away from the kids?" Every single time my response was, "I have a really great class and I miss spending time with them." Not gonna lie, I sensed skepticism in their eyes. I love your children so much. Watching them grow in character and maturity is such an honor. Thank you for entrusting them with me. I know we will end the school year strong!

Don't forget! Math tutoring will be Mon.-Thurs. from 7:30-8:00a. Please try to be on time.
